CONSIGNOR'S AGREEMENT

I hereby agree that my clothing, furniture, home décor, movies, and/or other miscellaneous items brought into revive will be displayed and priced at the discretion of the store owners/staff. Items that do not sell within a reasonable amount of time may be discounted up to 50%. **Items deemed no longer sellable will be donated to charity. Due to the high volume of inventory, consignment items are not itemized.**

Please note that our staff will check items for salability, if when pricing we find items that we are unable to sell we reserve the right to donate these items. **Clothing must be brought in on hangers or neatly folded in boxes (no bags)! A maximum of 20 items of clothing will be processed per visit.** Items should be seasonal, clean and non-wrinkled with no tears, stains or fading from wear and tear. Items purchased more than two years ago may be less marketable. Home décor/household items should be clean and in good condition. Any item requiring batteries for use, must be brought in with working batteries. Please advise us in advance should you wish to bring in large furniture items. We do offer a pick up service for larger items of furniture but would ask that, if possible, you provide a photo of the item before pick up is arranged.

I hereby agree that revive will not be held responsible for items in case of theft, fire, earthquake, flood, missing tags, etc. Due to volume of inventory we cannot track item descriptions.

I fully understand that **my commission is 50% of the item's sold price.** Consignor money earned may be used for in store credit at any time. Checks may also be issued but are not to exceed one check every 30 days and may only be written for balances over \$20. By signing this contract, I hereby agree to its content.

Thank you for partnering with us! We appreciate you!
